Pre-Winter Storm Piles Up Snow, Blocks Highways

Winter came in ahead of schedule and with banner headlines.

Near-zero accompanied by driving snows that piled up huge drifts, blocked highways and left motorists stranded, was the weather picture last week-end thru-out the area.

Old Man Winter does not make his official entry until Christmas week and if—as often happens—it is not wet or unusually cold the event frequently goes unnoticed.

But however, he makes his debut this month, people have had a taste of how tough Winter can be. News dispatches reported that the entire Great Plains area was hit and the storm continued to sweep across the nation to the Atlantic coast.

Here in Chicagoland the snow began falling Thursday evening and continued thru Friday. Fortunately the snow stopped on Saturday. Had it continued thru Saturday and Sunday at the same rate there is no doubt but that traffic would have been at a standstill Monday and many communities isolated.

As it was there were many motorists stranded last Friday night. Some of those caught by the drifts made their way to shelter on foot leaving their cars for snow-plow crews to dig out.

A skidding semi-trailer jackknifed across U.S. 30 on the curve east of U.S. 45 early Friday morning and was still there late in the day. This vehicle, plus drifting sealed off Route 30 to the east and drifts in the vicinity of Lincoln-Way high school blocked traffic between New Lenox and Frankfort until Saturday morning. Francis road was blocked west of Mokena and Wolf road and U.S. 45 were drifted shut. East of the Rock Island tracks 187th st. was so filled with snow that only the tops of fence posts could be seen on either side of the right-of-way. Half a dozen cars were stuck on 191st street. There was no travel on 159th st., Orland Park was in the same situation as Mokena, Tinley Park and Frankfort—travel was quite limited.

Sandburg, Alonzo Stagg and Lincoln-Way high schools were closed Friday, as were the elementary schools in the area. Buses that normally pick up students were unable to get thru on their regular routes.

Village crews in Mokena, Frankfort and New Lenox began battling the snow Thursday night and continued the fight thru Friday so that by Saturday morning their streets were well cleaned.

The village of Orland Park does not have any snow mov-

ing equipment but hired Doctor Construction to open up traffic ways on the streets, residential as well as business. This company had several crews working round the clock as they had commitments to clear out shopping center parking lots and some subdivisions.

State, county, and township snowplows were kept going thruout the storm and thousands of tons of salt and cinder were spread to offset the glare ice but in some sec-

tions it was a losing battle. Sometimes a plow would not travel a mile before the way it had just cleared had drifted shut again.

The amount of snow that fell between Thursday and Saturday varied in localities. In some places the total amount was given at seven inches and it ranged from that to 11—on the levels that is. There were five and eight-foot drifts in some areas.

Santa To Visit Mokena On Advance Tour Dec. 19

Santa Claus will make his appearance in Mokena on Dec. 19, traveling about the village and adjacent areas in a fire truck, as a change from his conventional sleigh.

Travel by sleigh is chancy in these latitudes. Further north where there is a heavy snow cover and the thermometer settles down below freezing and stays there, a sleigh does very well but around here one never knows when the snow will disappear.

In case anyone wants to know why Santa doesn't travel aloft when there is no snow below it is because of the planes. With Midway and O'Hare Fields not too far

away Santa can't get clearance on his pre-Christmas visits. On Christmas Eve, of course, he is given right-of-way over jets, the big prop liners and all other aircraft.

So on his visit to Mokena, Santa will make use of one of the older rigs of the fire department.

He will distribute candy on his travels, which are to begin at 2 o'clock. Later, 3:30 or 4 o'clock he will make a stop at the Mokena pharmacy where he will be available to the very young who want to file their Christmas requests direct with headquarters.

Mokena Post Office On Christmas Hours

Beginning Monday, Dec. 7 and continuing thru Dec. 24, Monday thru Saturday, the Mokena post office will be open from 6:45 a.m. to 5:30 p.m. that patrons may purchase stamps and mail cards and packages, it was announced by Postmaster Margaret O'Brien.

To be sure of no-time delivery Christmas cards going out of town should be mailed by Dec. 16 at the latest, Mrs. O'Brien said. She noted that there is more to the four new Christmas stamps than just a pretty design. Five-cent postage provides first class privileges for Christmas cards. This means they may be forwarded or returned if undeliverable at the original address and they receive the normal first class priority in handling and delivery.

The post office department predicts another record volume of mail this Christmas, with seven billion pieces moving thru the system during the pre-Christmas rush. Mrs. O'Brien estimated that mail volume to date is running about 6% above last year at the same period. So far

40,000 Christmas stamps have been purchased by Mokena citizens.

The postmaster also suggests use of the Zip code. For return addresses the Mokena Zip code is 60448.

MR. AND MRS. DALE ANDERSON

Donna Cheney And Dale Anderson Are Wed At Candlelight Ceremony

Arrangements of white chrysanthemums decorated the altar of the New Lenox Methodist church for the wedding ceremony between Miss Donna Ann Cheney and Dale L. Anderson.

The bride is the foster daughter of Mr. and Mrs. B. C. Stauffenberg of Manhattan, while Mr. Anderson is the son of Mr. and Mrs. Len Anderson, 110 Hickory street, New Lenox.

The couple were united in marriage at a 4 o'clock candlelight single ring ceremony, Saturday, Nov. 14, with Rev. Glenn Ames officiating.

The bride was attired in a floor length gown of white Chantilly lace, cut with a scalloped neckline and long tapering sleeves. The bodice was detailed with crystal beads and seed pearls and the full skirt was exaggerated with crinoline. Her nylon ruffing butterfly bustle ended in a slight train. Her elbow-length veil of French silk illusion was caught in a bouffant manner to a crown of crystals and seed pearls. She carried a bouquet of white roses, stephanotis, and ivy streamers. Her pearl necklace and ear-rings were a gift of the groom.

Attending the bride as maid of honor was Miss Dotte Jean Anderson of New Lenox, sister of the groom. She was attired in an aqua mist silk organza floor length gown with bell controlled skirt accented with lace cummerbund and Watteau panels. Miss Lynn Stauffenberg of Manhattan was bridesmaid and wore peacock blue, fashioned identical to the maid of honor. They wore short white

gloves and their pearl necklaces were gifts of the bride. They both carried garlands of white baby 'mums, blue Fuji 'mums and variegated ivy.

Don Alan Anderson served as best man for his brother, and groomsman was Neil Stellwagon.

Mrs. Stauffenberg, the brides foster mother greeted guests wearing a double knit, winter, two piece suit with red hat and accessories. Mrs. Anderson attended her son's wedding wearing a fall print dress featuring a tunic skirt and olive green accessories. They both wore Cymbidium orchid corsages. Mrs. A. W. Walsh, grandmother of the groom, from Saugatuck, Michigan wore a rose print dress with matching accessories and a white carnation corsage.

200 friends and relatives attended the buffet supper

and reception that was held from 6 until 10 p.m. that evening in the Lions Club Den on South Cedar road. Organ music was provided thru-out the evening by Mrs. Leonard Warning.

Mrs. Joseph Wilmsen and Miss Donna Mangun cut and served the wedding cake. The misses Sharman and Bonnie Schroeder, cousins of the groom, attended the guest book and gift table. They too, wore blue and white mum corsages and gifts of jewelry from the bride.

When the couple left on their wedding trip to Washington, D.C. the new Mrs. Anderson changed to a heavenly pink wool mohair dress with black suede accessories and wore a white rose corsage.

They are at home to their friends now on Bittersweet lane in New Lenox.

Robt. Burns Takes Over Duties As Magistrate

Beginning Monday of this week Robert Burns, who was elected police magistrate at Frankfort, was named as magistrate of the Mokena branch of the circuit court to succeed George E. Sangmeister who took office as state's attorney of Will county on Dec. 7.

Sangmeister finished his tour of duty as a magistrate last week. He was elected a justice of peace in 1961 when the law was changed to make a justice of peace a county officer with a salary paid by the county in lieu of fees.

Then the new judicial act became a law last January which eliminated justices of the peace and police magistrates. One can't be legislated out of office, however, and technically speaking all those elected police magistrates and JPs are still rated as such. The circuit judges now name the magistrates who preside in the branch courts and Burns is such a selection.

In the last week Sangmeister served as magistrate 16 traffic cases were disposed of in the Mokena court.

Randolph Putnam, of Frankfort was fined \$10 for failure to have a muffler on his car. Frank Walsh, Mokena, was fined \$10 for disobeying a police officer. William McCauley, Joliet, was fined \$10 for displaying but one license plate. Kenneth Martin, Lemont, fined \$10 for no valid safety test.

Two were fined \$10 each for improper passing: Gilbert Williams, Mokena, and Anton Russ, Joliet.

Ten motorists were fined for speeding in the following amounts: James Evans, Chicago, \$10; Richard Rundle, Chicago, \$12; Donnie Martin, Cicero, \$10; John Holmquest, Broadview, \$12; William Asbrock, Peotone, \$10; Wilbert Gandy, Joliet, \$12; Joseph Colombo, \$12; Marilyn Parks, \$13; Serapio Rangel, Aurora, \$16; Rudolph Kettemann, Park Forest \$14.

In each case \$5 was paid as court costs.

All costs go to the circuit clerk's office for payment to the county. If an offense occurs within a municipality the fine goes to it.

Sandburg Debate Team Booked For Assembly

Debate at Carl Sandburg High School, which has been growing over the past several years, has reached what is probably a peak of activity this past week. The team is preparing a debate for the student body only one week after appearing on television.

For the first time in the history of the school, the debaters participated in CBS's "Rebuttal" program on Channel 2. Altho the team entered the competition against Aurora East High School with high hopes, they were defeated by a 3-0 vote.

One of the debaters, Judy Dain, a senior, was singled out for praise by the judges, who commented on her presentation of material, saying it was "one of the best in the series thus far."

Others participating in the debate were Karen Kordisch, Betty Palmer and Paul Zeman. The debate coach is Miss Judith Runkle.

The proposition for the TV debate was "Resolved: That immigration quotas by countries should be abolished." The Sandburg team was assigned the negative side, defending the status quo.

As the debate developed, the argument centered upon two charges brought by the affirmative—that the present system of admitting only limited numbers of immigrants from nations is "obsolete" and "discriminatory."

The Sandburg team defended the present system because it "encourages skilled labor to come to the United States and is in the best economic interest of the country." Miss Palmer added that she and her teammates "must be realistic and support the present plan."

Miss Runkle, who coached the team through their first appearance on the program, said that she was "pleased with the performance by the entire team."

They did well," she said, considering the limited time they had to prepare."

The assembly program is

the result of a Student Council project. The student government asked the debaters to prepare a program as

the results of comments following the recent class officer elections at Sandburg.

At present, students running for class offices must maintain at least a 2.5

(C plus) grade average for all years at Sandburg. In an effort to gather student views, the council will ask for a vote from the classes immediately following the debate this Friday.

Would Rather Switch Than Fight Jams

(CNS) The South Suburban Safeway Lines, Inc., by Robert Thompson, president, last week applied to the Illinois commerce commission for permission to use an alternate route for egress and ingress to the Dan Ryan Expressway in their express service ending at the Prudential Bldg.

The alternate route would use the Cermak road entrance and exit ramps, at 29th street, to connect with Cermak road and then east to Indiana avenue.

This route would enable busses to avoid tie-ups adjacent to the Eisenhower and Southwest Expressway ramps, it was pointed out.

Knights Tap Bremen To Start SWS Cage Season

BY NORM BEEBE
The final score was 63-52 when Lincoln-Way defeated the Bremen Braves at Bremen last Saturday night to start off the 1964-65 Southwest Suburban conference basketball season. This was the third victory in a row for the Knights, their first coming when they defeated De LaSalle in the Lockport tournament, their second by defeating Plainfield 91-54 Tuesday, Dec. 1.

Keith Schram, junior guard for the Knights, made 18 points followed up by Howie Grimes with 15. Bremen took an early lead in the first period. Howie Grimes and Tom Hamilton quickly whittled down the gap, and the Knights started to pull ahead during the second period. Bill Stanfill, play maker for the Knights tallied up four points to put the Knights ahead 30-26 at half time.

During the 3rd quarter, Grimes, shooting from under the net, and Schram, from the corner, extended the score to 41-30 late in the 3rd quarter. After an exchange of baskets, the 3rd period ended 43-36. The Braves started to come back in the fourth quarter but couldn't hold it. Mike Seitzinger, sophomore forward for the Knights, really showed his stuff by sinking three baskets in a row to

put the Knights farther ahead of the Braves. With only a few more moments to play, Keith Schram connected with two baskets to make it virtually impossible for Bremen to win. The Plainfield Wildcats fell to the Knights of Lincoln-Way 91-54 Tuesday evening, Dec. 1. This was the second straight victory for the Knights. Lincoln-Way took the lead during the first few moments of play and literally walked

away from the Wildcats with a first period score of 28-5. The Wildcats out-scored the Knights during the second period 24-19 but the Knights still held on to their lead. Bill Stanfill was top man in the scoring column with 12 points in the end of the first. At the end of the first half, the Knights led 47-29. From the start of the 3rd period, the Knights showed no mercy on their opponents by scoring 8 points right after the tip-off. Halfway

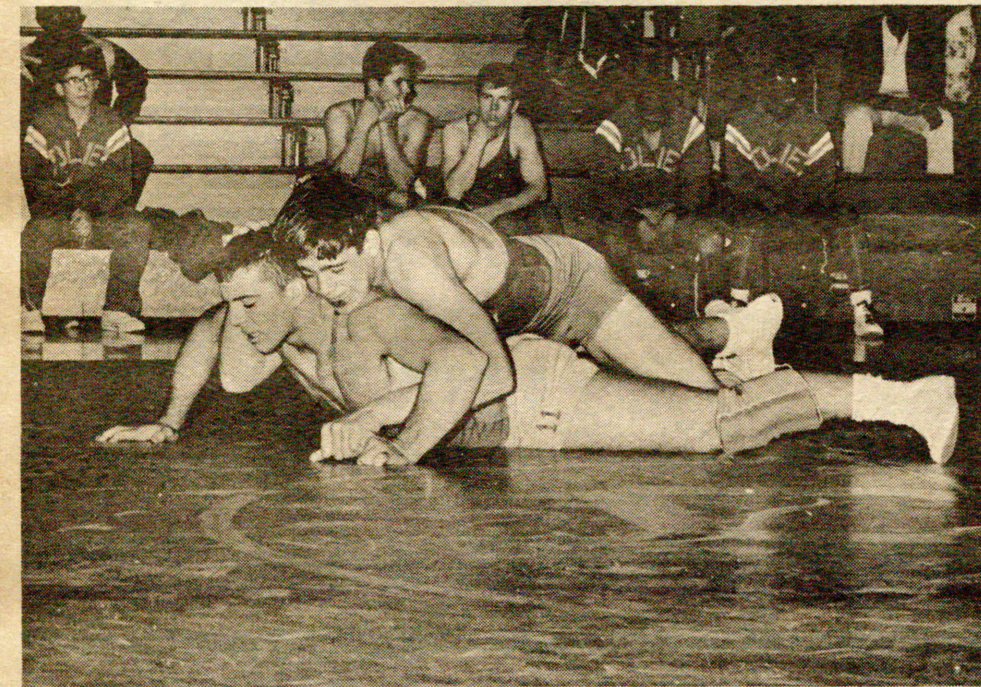

through the 3rd period the Knights led 63-36. At the end of the third, the score was 72-42. The 4th quarter was much the same as the previous three. Keith Schram started things off by sinking three baskets in a row. After an exchange of baskets, time was called with 6:24 left in the game. The score was 78-45. From that point on there was no stopping the Knights.

Sandburg Basketeers Defeat Hinsdale Red Devils, 54-52

By ED PETERSON
The Carl Sandburg basketball team was denied a shot at their first conference victory last Friday night as the game with Reavis was postponed due to snow, but the Eagles will start conference competition this week. They meet Homewood-Flossmoor Friday and Saturday at the new Stagg gym. In Saturday night action the Sandburg roundballers got down their second victory in a row by defeating the Red Devils of Hinsdale on their court, 54-52. In sophomore action the young Eagles re-

main winless following the 46-34 defeat by Hinsdale. In the varsity game the Eagles led the way by a satisfying margin, but began to ease up in the last quarter. Led by forward Mike Pfvetz the Red Devils battled their way to within two points of the lead with barely a minute of play left. They were denied the victory when junior forward, Drew Corley, dropped in a two-pointer to ice the game. Sandburg was led by junior guard, Doran Harding with 19 points. Corley and Bruce Hyink, 6'9" center, each

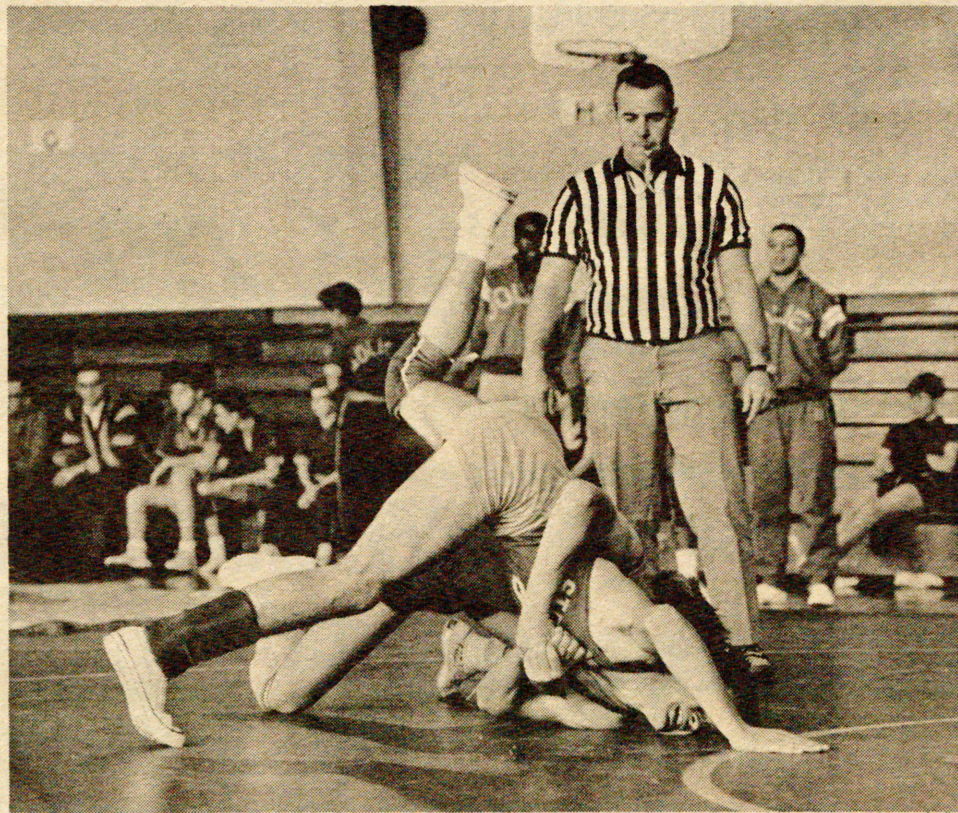

dropped in 15. The efforts of these three massed a total of 49 points. Other Eagle scoring was done by Roland Roth, Dan Cooper and Van Bremen. Leading scorers for Hinsdale were Pfvetz, 13 points, and Bob Wellington, 12. This week conference action will begin as the Eagles meet Rich East and Homewood - Flossmoor, the two predicted conference powers. Rich defeated Evergreen Park last week, 76-64, as senior forward, Bob Bladek, 6'3", dropped in 24 points.

ANOTHER WIN for the Eagles was counted in this 180-pound class event at the dual meet between Sandburg and Joliet Central at Sandburg last Saturday. The man on top is Carl Prazek, of Sandburg. The Joliet man on the bottom is Ken Piazza. Prazek took the bout on points, 4 to 1. And Sandburg took the meet by the lopsided score of 44 to 5. (Graphic Newspapers photo)

SUCCESSFUL HUNT - (l. to r.) Howard Braasch of Palos Park, Rich Robson and Bill Robson of Orland Park while hunting in the Galena area near the Mississippi river during Northern Illinois four-day deer season, took 3 deer.

THESE ARMS AND LEGS and torsos belong to Bob Johnson, of Carl Sandburg's wrestling team, and Joe Ambrozich, of Joliet, but we are uncertain as to what belongs to who but believe that is the Ambrozich face against the floor. It is really some sort of a mat but from here it looks pretty much like floor. Incidentally Johnson pinned the Joliet lad in 4:48. They wrestled at 145 pounds. The referee is Mel Deskin, mat coach at Lockport Central high. (Graphic Newspapers photo)

IN MEMORIAM
In Loving memory of Gary Edwards;
who passed away three years ago.
No stain was on his little heart,
Sin had not entered there;
And innocence slept sweetly on
That pale white brow so fair.
He was too pure for this cold earth
Too beautiful to stay,
And so God's holy angel bore
Our Darling one away.

A special medicare bill for fishermen, described by Rep. Richard Roudebush, (R-Ind.), as one of the strangest pieces of legislation in history, was passed by the House at the last session.

The legislation which provides free medical care for fishing boat owners will cost \$1,824,200 per year. The main argument used by proponents was that deep sea fishing is a hazardous occupation. But opponents pointed out that on that basis miners, athletes and lion tamers—among many others—would also qualify for special medicare legislative protection.

Foundation Plans Yule Log Lighting Ceremony

David Schulz of Palos Heights has been named to light the Yule Log in the traditional Christmas ceremony to be held at the Community Center Foundation of Palos Park, 127th Street and Southwest highway, Wednesday, Dec. 23, at 8 p.m.

The public is invited to participate in the ceremony, which will be preceded by a young people's group caroling in the village and followed by a community sing and the sharing of the wassail bowl in the Main Lodge of the Foundation.

The Yule Log lighting is an ancient English custom, revived here many years ago by the Foundation and now a highlight of its Christmas program. This program includes Advent Services each Sunday at 4:30 in the Wayside Chapel, and the Hanging of the Greens, Sunday, Dec. 13, at 7 p.m. when friends are invited to help put up the Foundation's Christmas decorations.

On Yule Log night in addition to the ceremony of lighting of the log, the program will include:

Caroling, led by Frank W. Sanders, assistant director of the Foundation, and Paul M. Sanders, of La Canada, Calif., who will be home for the holidays, Mrs. Charles H. Kiefer, of Flossmoor, will be at the piano.

The "Sacrament of Fire" will be recited by Mrs. Oliver Nielsen, of Palos Heights, and a solo will be offered by Mrs. Phyllis Dalley of the Foundation staff.

American Dairy Assoc. To Hold Dist. Meeting

The American Dairy Association of Illinois (ADA) will hold a district annual meeting at the Will County Farm bureau building, Joliet, on Monday, Dec. 14. The meeting will start at 11 a.m. and will adjourn by 2:30 p.m. According to an announcement by William W. Jensen of Kankakee, an ADA state director who will be chairman of the meeting, all dairy farmers, their wives, and others interested in the dairy industry are invited to attend.

A state director and seven district directors will be elected. The past year's activities of ADA will be reviewed and the 1965 program will be presented. A home economist will give a dairy foods demonstration. There will be door prizes and a movie.

Eagle Tankmen Defeat Thornton

By PAUL MARTIN

The Carl Sandburg swimmers brought their winning streak to two straight by winning eight of eleven events Saturday against Thornton. The 58-37 victory was highlighted by a new varsity record in the 100-yard butterfly by Terry Brazel.

The sophomore lost by one point, 47-48, losing the last event of the meet. Cliff Mehling set the sophomore butterfly record.

The varsity hopes to register their third victory against Proviso West this Friday. In last year's meet against Proviso both the varsity and sophomore teams lost in the final race. Expecting a close meet, coach John Weber said the team will do best in distant events, the backstroke and breaststroke.

In last week's victory the Eagles won all the events except the 200 yard medley relay, diving and the 100 yard breaststroke. The double winners were Terry Brazel, Bob Hutchinson and Jim Daliege.

Income Tax Man Explains Casualty, Theft Losses

A "one hundred dollar deductible" provision on personal casualty and theft losses was part of the 1964 tax law.

As explained today by E. C. Coyle, Jr., district director of internal revenue, the first \$100 of each personal casualty or theft loss will not be deductible on fed-

eral income tax returns. A husband and wife filing a joint return will have to meet by one \$100 deductible limit for each separate casualty or theft in which they either jointly or separately suffer a loss. However, if they file separate returns, each will have to meet the \$100 floor for each separate

loss. Business losses will continue to be fully deductible, Mr. Coyle said. In cases where there is damage to a car used for both business and pleasure, the \$100 deductible will only apply to that portion of the loss charged to personal use. Assume in such a case that the business loss is \$250 and the personal loss is \$300. The \$250 loss attributable to the business use is fully deductible.
